

UNDER THE RADAR

The Solution

**Misha: Teardrop
Sweetheart**
(Tomlab)

Comprised of Asian-American duo Ashley Yao and John Chao,

Misha make alternately playful and austere electronic pop on their charming debut, *Teardrop Sweetheart*. With a full array of synthy strings, soft horns, acoustic guitars, and dancey beats at their disposal, the result is an understated brand of mid-tempo pop that reveals its quirks and endears itself over repeat listens.
